The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Calabasas Citywide Green Street Project in fiscal year 2026. The entity to receive funding for this project is the City of Calabasas, located at 100 Civic Center Way, Calabasas, CA 91302.

The funding would be used for roadway improvements in the city. Unpaved street shoulders would be improved with landscaped bioswales and/or tree-well filter systems and modifications to existing roadways would be implemented to improve drainage. The project is an appropriate use of taxpayer funds because it will reduce pollutants draining from city streets into the city's stormwater system, thereby reducing pollutant loads in natural waterways and the ocean.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 133(b) of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JULIA BROWNLEY
Member of Congress
