The Honorable Kay Granger
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Harvard Boulevard Water and Sewer Pipeline Replacement project in fiscal year 2023.

The entity to receive funding for this project is the City of Santa Paula, located at: 970 Ventura Street, Santa Paula CA, 93060.

The funding would be used for the water and wastewater replacement portion of the Harvard Boulevard Water and Sewer Pipeline Replacement and Paving Rehabilitation Project — overall an approximately \$16 million initiative. The \$2 million request will install over 1.2 miles of utility pipeline, which will ensure the City can provide a reliable potable water distribution system and an efficient wastewater collection system to sustain operations in the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
