Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Oxnard College Faculty Teaching & Learning Center in fiscal year 2023.

The entity to receive funding for this project is Oxnard College, located at: 4000 S. Rose Avenue, Oxnard, CA 93030.

The funding would be used to establish a Faculty Teaching & Learning Center on the Oxnard College Campus. The \$628,600 requested would provide professional development to faculty in the areas of working effectively with diverse student populations, safe-space training, creating a culture of respect in the classroom, classroom management skills, improving online and multi-model teaching skills, and it would provide faculty a safe space to problem solve with more experienced faculty members. Improving faculty teaching and student interactions, lead to greater student retention, timely academic progress, and higher rates of degree completion.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
