The Honorable Rosa DeLauro
Ranking Member

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City of Agoura Hills Bikeway Master Plan Implementation Project in fiscal year 2024. The entity to receive funding for this project is the City of Agoura Hills, located at 30001 Ladyface Court, Agoura Hills, CA, 91301.

The funding would be used for design and construction of critical infrastructure from the city's overall bicycle master plan. The project is an appropriate use of taxpayer funds because this project will provide for a safe interconnect of bike infrastructure throughout the City, as well as neighboring jurisdictions, promoting a non-motorized transport network for travelling from residences to commercial centers throughout the community. It will help ensure residents, including low-income residents without vehicles, can access commercial centers and jobs in the community. Community developers will also be more inclined to invest in the community if bike lanes exist throughout the community, which is an attractive option for prospective housing and business development.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
