The Honorable Kay Granger
Chair
House Appropriations Committee
H-307, The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Camarillo Bridge Replacement at Las Posas Road and Ventura Blvd in fiscal year 2024. The entity to receive funding for this project is the City of Camarillo, located at: 601 Carmen Drive, Camarillo, CA 93010.

The funding would be used for bridge replacement at Las Posas Road and Ventura Blvd. The project is an appropriate use of taxpayer funds because the bridge at the intersection of Las Posas Road and Ventura Blvd. (National Bridge Inventory No. 52C-0086) is deteriorating and currently in need of replacement. The bridge bisects one of the most traveled intersections in the City receiving 32,000 vehicles on average per day. As the bridge continues to deteriorate, the City may be forced to close the intersection, disrupting a major local and regional multimodal transportation corridor that serves the airport, regional commercial and shopping districts, agricultural farmland, the Naval Base Ventura County, and the Port of Hueneme. The proposed project will replace the bridge in its entirety and include an extension necessary to keep the intersection open during phased construction. This extension will also be used to bring the existing bridge up to current standards for pedestrian and bicycle use.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".

JULIA BROWNLEY
