The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City of Oxnard Santa Clara River Levee 3 Project in fiscal year 2024. The entity to receive funding for this project is City of Oxnard, located at: 300 W Third St, 4th Floor, Oxnard, CA 93030.

The funding would be used for construction of approximately 1,900 linear feet of a reinforced concrete flood wall and a 120-foot wide flood gate system. The project is an appropriate use of taxpayer funds because it will provide much-needed flood protection to nearly 6,400 residents south of the levee system and critical public infrastructure, including schools and major transportation arteries. The Santa Clara River Levee 3 project satisfies the EDI national objective of addressing community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community for which other funding is not available.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley". The signature is fluid and cursive, with a checkmark at the end.
