The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Camarillo Airport (CMA) Runway and Taxiway Reconstruction Project in fiscal year 2025. The entity to receive funding for this project is the County of Ventura, located at 800 S. Victoria Avenue, Ventura, CA 93009.

The funding would be used for runway and taxiway reconstruction, including final engineering design and construction documents for the taxiways portion of the overall airfield reconstruction project. The project is an appropriate use of taxpayer funds because Camarillo Airport (CMA) is considered a National Asset within the general aviation National Plan of Integrated Airport Systems (NPIAS). This project will ensure continued operation of the airport.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Julia Brownley".
