The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Camarillo Law Enforcement Interoperable Radio Network in Fiscal Year 2027. The entity to receive funding for this project is the City of Camarillo, located at 601 Carmen Drive Camarillo, CA 93010.

The funding would be used for equipping more than 80 city vehicles with interoperable mobile and portable radios, acquiring dispatch tools, and completing programming and system integration. The project is an appropriate use of taxpayer funds because it builds upon prior federal investments that enabled Ventura County to join a regional interoperable radio network, ensuring consistent, countywide public safety communications, and strengthening multi-jurisdictional law enforcement coordination through expanded regional interoperability. The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
