The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Simi Valley Sewer Pipeline Replacement in Fiscal Year 2027. The entity to receive funding for this project is the City of Simi Valley, located at 2929 Tapo Canyon Road Simi Valley, CA 93063.

The funding would be used for Rehabilitation of approximately 13,135 linear feet of 60-year-old asbestos cement sewer pipes throughout Simi Valley to reduce the risk of groundwater contamination, improve system reliability, and support Clean Water Act compliance. The project is an appropriate use of taxpayer funds because it advances water quality protection, safeguards public health, and supports long-term Clean Water Act regulatory compliance by proactively rehabilitating aging wastewater infrastructure. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
