The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Westlake Village MS4 Compliance Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Westlake Village, located 31200 Oak Crest Drive Westlake Village, CA 91361.

The funding would be used for improving stormwater management by diverting stormwater weather flows from the storm drain system to the sanitary sewer for treatment by Las Virgenes Municipal Water District (LVMWD) to be cleaned and added to the potable water supply, which serves approximately 100,000 residents regionally. The project is an appropriate use of taxpayer funds because it will meet a critical need to provide water quality improvements to local waterways and increase local water supply in a region that is heavily reliant on imported water. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Julia Brownley".
